

DISCUSSION OF THE AMENDMENT

The Abstract is replaced with an Abstract changed for matters of form.

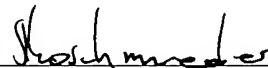

The specification is amended for matters of form. Support for the amendment to the specification to describe the figures is found in paragraph [0026], and [0066]-[0070] of the PG publication corresponding with the present application, i.e., 2005/0258026.

Applicants thank the Examiner for the helpful suggestion of an amendment to the specification, Abstract and claims to change matters of form such that the present application is brought in condition for allowance. Applicants submit that the present amendment addresses those matters of form identified by the Examiner.

Applicants request allowance of all now-pending claims and passage of the present application to issuance.

Respectfully submitted,
